DANICA SELECT

For you who want to control your own investments

FREEDOM TO DECIDE HOW YOU WISH TO INVEST YOUR RETIREMENT SAVINGS

In Danica Pension you can now chose exactly how you wish to invest your retirement savings. You can chose among 15,000 securities on 17 stock exchanges in Europe and North America.

You compile and manage your entire investment portfolio, and you keep all the advantages associated with having a savings account in a pension company.

Danica Pension

THE ADVANTAGES OF DANICA SELECT

- Opportunity of investing in single securities
- Low profit tax and the same tax deduction as on other retirement savings
- Trade when and where it fits you – on your mobile phone, tablet or computer
- No tax ceiling on tax deductions
- Chose between capital/age saving, annuity pension or lifetime annuity pension
- Optional cover for loss of earning capacity and waiver of contribution in the event of illness
- Possibility of securing your surviving relatives, so the retirement savings become payable to them in case you die before retirement

HOW TO TRADE

You will have access to Danica Select via Danske Netbank, where you trade on your own behalf on the computer, tablet and mobile with Denmark's best self-service solutions.

ADDITIONAL ADVICE

If you wish advice in connection with investing your pension, an investment advisor can be attached. The advisor will assist you in deciding on strategy, time frame, risk and actual investments.

EXTENDED INVESTMENT

With extended investment you can follow the development of your trading activities, price charts and returns in your custody.

You also have access to financial analyses from e.g. Danske Equities and Wall Street on Demand
